- Saturday May 6th is 5k date
- January 24th at 5:30 will be 5k fundraiser planning subcommittee meeting.

5. Allison Weide:

- Student store updates: Fridays, seems to be going well. Requests for ice cream, have moved away from that at TMMS. Request to consider adding a second day for the store (would need more volunteers trained and to add more days). Elizabeth could commit to an additional day - and do Monday and Fridays! Yay - thanks Elizabeth!
- Allison will update the sign up genius link for more volunteers.
- Still working on the timing ordering for dropping off items - will look into Costco delivery and business orientated Costco in Fife.

6. Anthony Brock: Principle's Corner

- Day of Service
 - Friday January 13th - lots of work underway to coordinate, **no student store on Friday (or Monday due to holiday).**
 - MLK assembly on Friday as well (in addition to day of service).
- End of semester is coming up, big social studies project is coming up during last week of the month
- Author coming to school to provide culturally responsive training during the second week of Feb - 10 teachers getting trained. Will have lots of subs, teachers in and out of classrooms.
- Potential for hosting an additional dance this spring. Oly Parks and Rec Activity night in March, perhaps April/May for another ASB dance?

- Boys volleyball is underway, girls soccer and girls basketball will start up afterwards.
- Tentatively planning a spirit assembly, Feb 3, last day of semester, will include recognition for fall athletics
- Love on your kids, lots going on, responsibilities as we head towards end of the semester.
- Request for World History Symposium, 20 people day volunteering, coffee and snack request. 1/23rd, 24th and 25th.
- Amy made a motion to support a new MCC request to support light refreshments for parent volunteers, using up to half of the PBIS line item (\$250) and to seek donations of coffee (Alison will ask Starbucks and Chick-Fil-A). Emily seconded motion. All present voted and approved!
- Sell off the Mustang Wear for \$5.00 each - this is old, was purchased by MCC previously. Authorized to staff and students for sale and put \$ generated in the MCC box. Could potentially sell also at the March YMCA Activity Night
