Elizabeth made a motion to get a subscription to Quickbooks(<https://quickbooks.intuit.com/online/>) and enter our fiscal data there. Unanimous adoption of the motion.

Allison moved (Emily second) to invest \$20,000 into a CD for 6 months from the Olympia Federal Savings. We unanimously agreed to invest this money.

President Amy Dura or new Treasurer Elizabeth Rodriguez will visit the bank to set up CD and report back at our June meeting.

Amy has followed up with Cassie White regarding snacks for testing. We also paid for books at the last meeting.

Anthony Brock: Principle's Corner

Emily McMason will present "Managing Anxiety."

Tuesday May 16 630-730 in the cafeteria.

7th / 8th Track: 50 kids signed up for track. May 9th at CHS and May 25 at OHS.

Thurgood Marshall Middle School

Everyone Belongs
Everyone Learns
Everyone Grows

Next year there will be 1% reduction in staffing which means slightly larger classes (was originally going to be higher).

Middle school sports are safe from budget cuts and going well!

CSI is expanding to serve more kids. The wait list is around forty kids. CSI has traditionally raised \$600 per kid. That's not equitable to other kids in the school. Expansion is a step in the right direction. That work would just need to be spread over all the new folks. The overall population is projected to increase from 450-480.

Anthony is pushing for 3 sections of AVID. This will require some training. MCC can help to pay for that as we have helped in the past (\$4000 in 2017).

8th grade promotion June 21st, 9:30-11:30

Talent Show June 21st, later.

Field day June 22nd.

Dance is May 19th 6-8.

Emily moves to use \$1275 for 8th grade promotion (Allison Weide seconded).

Passed unanimously.
