Our balance as of 3/8/2023 is \$27,582.09 and store account is \$6256.28.

Vicky has been serving as our treasurer and Elizabeth Rodriguez will be taking on this role. We don't have a budget passed for this year but hope to review and approve at the April meeting.

STUDENT STORE

We have been open quite a lot on Mondays and Frieays.

Lots of volunteers have been showing up.

We need to retrain the volunteers (especially the accounting sheet).

We just had an information night for 5th graders.

Many questions for CSI and another 10-15 applications given to families at that meeting.

We are thinking about expanding CSI. We have 80+ applicants for 20 spots.

Lottery for CSI is March 17th.

Soccer is up and running for girls and basketball for boys.

The activity bus is running for homework-club and sports.
