Treasurer's Report

Fundraising:

Store - We are over halfway to our fundraising goal, and we are not even halfway through the year! Thanks to Greg for doing such a great job.

Chipotle Fundraiser: We made \$181.07, and we budgeted \$150.

Expenses:

More teachers requesting money this year, and more getting closer to their \$200 limit.

MMS Facilities and supplies: We've spent \$1225.26 of \$2000.

Phillipy didn't submit for his classroom funds last year - he was told he could submit for this year; he already spent his budget for this year, though it was technically last year's.

Proposals:

Prairie Matthews is elected as a member-at-large.

Mimi Sprague \$100.00 for office decorations; Jeni moves to approve; Courtney seconds; In favor: 5, abstentions: 2. **REQUEST IS APPROVED.**

Michele Weber: Cutting board for die cut machine: \$42.80 with a recurring cost of \$21.40. Jeni motions to approve, Condee seconds; 6 in favor. **REQUEST IS APPROVED.**

Staff shirts: Jeni estimated \$300.00 cost, and they cost more. Horizon Printing is donating the rest of the money.

Committee Chair Reports:

Student Store:

Doing well - no more money spent until after break; \$260 made last Thursday and Friday. Still no sign up genius, aka volunteers for the store. Hopefully, we will get it out so we can get volunteers.

Spirit Wear:

Nothing to report

Yearbooks:

Nothing to report

Theater:

We do have a play - something Seth has never heard of: *Once on this Island, Jr.*; Mr. Haws will announce the play to students soon. Haws can't do mandatory parent meeting until end of January. Seth is hoping to have a mandatory meeting **ONLY** for new parents, but Mr. Haws still wants to have this meeting for all parents. They will discuss.

Bulletin Board:

Giving tags - 4 left!

Fundraising:

Chipotle made \$180.00. Jeni put in newsletter that it paid for 3 Thanksgiving dinners.

Earth Day 5K:

We need people to sign up for the committee. Prairie will be on the planning committee. Sarah will ask for someone via Facebook. Anch says she will help. Earth Day is Monday, April 22. Greg will ask Katy Johansen.

Ongoing Projects

Inspiration Campaign:

Only 5 left! And we have a lot of interest to purchase more!

More schools interested: Madison is getting doors in their schools as well as other schools.

Old Business

Basketball uniforms - Dye sublimation shirts cost approximately \$25.00 and last because the print doesn't come off. Jeni wants to talk to Michele regarding what would be on a shirt and what uniforms we need next.

Idea: Buy one uniform that applies to all sports - Marshall sports uniform for girls and for boys.

Phillippy's request for yoga mats: We need to see how much we've spent on shirts; let's ask for donations of yoga mats. We need 15!

New Business

Knights of Veritas: It costs almost \$500.00. Seems like a lot for what he does. We need to think about whether or not it is worth \$500.00. Condee will ask Gurnsey to get feedback from students and bring that information back to MCC.

Suicide Prevention: Can we get a parent presentation on this?

Next Meeting: January 8th, 6:00 - 7:30
