

Marshall Community Council

Tuesday, November 10, 2020

In Attendance: Seth Crump, Condee Wood, Michele Weber, Karen Miller, Amy Long, Amanda Yonker, Janie Nelson, Becca Mondau, Shawna Cardona, Libby Mullins, Sarah Pearson

Agenda Item:	
Call to Order/ Welcome/Introductions	Meeting called to order at 6:03 Karen Miller - 6th-grade teacher at MMS; All members introduced themselves
Reading of Norms (when applicable)	
Reading of October Minutes and Approval	Motion to approve, Amanda Yonker second; passed to approve the October minutes.
Presentation(s)	None
Board Vacancies	Vacancies include: <ul style="list-style-type: none">• President - nominees: none today• Secretary - 2year position - Michele Weber - interim - until we have a parent who volunteers.
Treasurer's Report	<p>Janie N reported a balance of \$32,980.10 in the MCC account. This does not include the \$847.81 that was made at the McDonald Fundraiser. The expense for the month included the subscription fee for Zoom. November Budget Report</p> <p>Condee asked Janie what process she would like to use so that teachers can be reimbursed when they use their allocated funds. Janie wants teachers to scan and email a receipt so that teachers can be reimbursed. Janie will send reimbursement checks to teachers via mail. Janie is donating the stamps. Amanda brought up that MCC reimbursement forms can be found online. Amanda suggested Janie buy a book of stamps with MCC funds.</p>
Principal's Report	<p>Condee reported that she sent out an email regarding Veterans Day; Events have been created in an asynchronous format used during the Advisory classes this week;</p> <p>Update on in-person learning: most recent guidelines, from Dr. A is that all hybrid learning remains on-hold until January. For secondary schools that will be February. Hybrid would be an A/B schedule. Only if the transmission rate is down. We have had 15 of our DLC students on campus since the end of September with no incidents. Monday-Friday in the morning.</p>

	<p>On Tuesday, our ELL students along with Melissa Wood and Amanda Yonker will be coming in for in-person learning. There will be two groups of 10 students. They will come 3 days a week;</p> <p>The office will be locked, and front doors are locked but people can call the office number from outside the doors during office hours.</p> <p>Michele and Condee have been tracking closely students who are struggling. Our teachers are working really hard with kids but it's difficult when kids aren't participating. We have reached out to families to provide help, but there are circumstances where it is hard to get kids to engage. We may have some of these kids in small groups of 5 coming in possibly 1-2 days per week.</p> <p>Marshall has had a thriving active Equity Group. 13 staff members went through about 20 hours of training during the summer. These staff members are working to provide opportunities for teachers to talk about equity in the classrooms. Eventually, the plan is to reach out to get community members involved as well in these meetings. Condee has talked with McLane and Hansen about working together on this.</p> <p>Michele reports that we have started Lunch Bunch Groups. Kids were surveyed a few weeks ago about their interests. The greatest interest is in video game chats, Among Us game, Art and music. Kids can attend lunch bunch groups by going to the MMS website and click on Zoom link. Once they are in the group, they will choose which topic they'd like and will go to the breakout room with other students and with paras. We did a "soft" opening this week. The Bridge Music Project is underway on Wednesdays from 12:15-1:30. 23 kids are participating. Mrs. McBride, our new counselor plans to start a lunch bunch group soon. It likely will be for new students who are interested in chatting with other new students.</p> <p>MAP testing started last week. Reading test was on Nov. 4. Math test will be on Nov. 18. Testing occurs in Advisory classes. Several dates are scheduled for kids who either need to finish up their test or for kids who didn't originally take the tests. Overall, testing appears to be going well. Kids (and teachers) are able to navigate the testing site and Zoom at the same time with success.</p>
Standing Committee Reports	<ul style="list-style-type: none"> • Theater - Amanda has everything she needs in a drive. • Thanksgiving Plans - Condee reports that we have 29 requests for Thanksgiving Dinners; The volunteer that donated last year is able to provide 50 dinners this year for Thanksgiving. She would like some help from MCC. Families will come pick up on Nov 23 or 24th. Dinners will need to be ready to go by the morning of Nov. 23. Families do still have an opportunity to sign up until Friday. Condee will talk with Amanda about this

	<p>(Amanda had to leave the meeting).</p> <ul style="list-style-type: none"> • 49 families have requested help with gifts for the holidays. We will do \$25 Gift cards for 72 students. How can we do this virtually? Sign up Genius is an option. Perhaps just stating the number of gift cards we need for specific places. So it wouldn't be specific for the student but rather for the places. MCC members volunteered to be at school on a certain night to collect gift cards (Karen, Shawna, and Libby). Most cards requested are Target, Walmart and Amazon. Amy Long is looking into Sign-up Genius. Condee will send Amy the requests so that Amy can have it ready to send out after it closes on Dec. 4th. • Student Store - No report • 5K - No report • Website Update - Libby cc'ed Rob Knight regarding the McDonalds fundraiser. Libby thought Seth and Rob were working together on the website. We just need to communicate with him about what info we want to go out on Facebook. • Fundraising- Update on McDonald's night. We made \$847.81. Next dining out night will be at Panera Bread; 20% will come back to MCC. Tuesday, Nov. 24th 4-8PM; Amanda Yonker will send out flyers. • The December fundraiser will be at MOD pizza in Lacey (right off Yelm Hwy). Date to be determined.
Old Business	<ul style="list-style-type: none"> •
New Business/ Announcements	<p>MCC Web presence; The website needs serious updating. Libby will work with Rob on getting the website updated. There are too many webpages. There are two MCC gmail accounts. They are not working. Rob has also tried to get in as well. Maybe Amanda Yonker has this information. Or Jenny Houghton? Seth suggests that on the MMS website MCC be spelled out because people don't know what MCC is. Seth stated that when you open it up you will see the personal email addresses of members, past and present. Seth suggests there be only one contact on this page. We need better messaging on the MMS webpage. Becca Mondau suggested there be 1 website and 1 Facebook page only. Condee will ask that our OSD website be updated. .</p>
Adjournment	<p>Meeting adjourned at 7:33</p>
